Dear Sir/Madam

SALE OR BUY MINERAL WATER BOTTLE TO CREATE THE BEST BRAND WITH THE BEST CONTAINER

Dithree Group is a private company that mobilize domestic resources for the creation of collective prosperity opportunities and sustainable development projects through advisory services, holding services, asset management as highlighted on our website so as to articulate **AGENDA 2063** into Business Models and Social Programs that bridges African challenges with African solution. This teamwork, mental work and network of investment partnerships, development proposals and joint ventures instills a sense of direction, a sense of dignity and a sense of belonging in the African dream.

However, Rwenzori Mineral Water is the top brand in Uganda while Hill Mineral Water has the best bottle in Uganda. And as such, this is to propose that Rwenzori **Bottling Company buys the bottle of Hill Mineral Water or Hill Group Limited sales the bottle of Hill Mineral Water** so that Uganda gets the best mineral water with the best bottle. Otherwise, both the Quran in Surah Al-Imran 3:104 and the Bible in Mathew 9:35-37 complement each other on the fact that African challenges called Dithree Group to apply the mind on a full state of identifying African Solutions jealously, on principle and by conviction outside the square because a successful society is based on the skills and values of its leadership. The economic success of a nation is based on each individual business and job. Leadership is the process of social influence where one person mobilizes the aid or support of others in the accomplishment of a common goal or task. While development is the changing of society with effects to its norms, values, institutions, attitude of its people, methods of production and the way in which resources are distributed for the attainment of total transformation.

Yours Faithfully,
