

REF: D3G-45/2/8/24

- The Honorable Minister, Ministry of Gender, labour and social Development
- The Chief Executive Officer, Private Sector Foundation Uganda
- The Honorable Minister, Ministry of finance, Planning and Economic Development
- The Chief Staff Officer, Operation Wealth Creation

Dear Sir/Madam,

## DISBURSE EMPOWERMENT FUNDS AS TOP UP LOANS FOR CREATING TAXES, JOBS AND WEALTH

Dithree Group is a private company that mobilize domestic resources for the creation of collective prosperity opportunities and sustainable development projects through advisory services, holding services, asset management, hosting services, equity investment, civic education and intermediary business as highlighted on [www.d3gafrica.com](http://www.d3gafrica.com) so as to articulate **AGENDA 2063** into Business Models and Social Programs that bridges African countries' challenges with African people' solution. This teamwork, mental work and network of investment partnerships, development proposals and joint ventures instills a sense of direction, a sense of dignity and a sense of belonging in the African dream.

Therefore, since government is obliged to invest in sectors which move capital into taxable goods and services, this is to propose that it would be better for the empowerment funds like PDM, Myoga, Ntandikwa etc. to be disbursed as a sixty percent (60%) top up loans to strictly Gender Balanced Investment Clubs (**GBICs**) with bank accounts that had operated for at least ~~sixty~~ months so as to spray the risks, benefits and oversight hence grooming the youth into potential investors and entrepreneurs instead of the current format which is more of a patronage that adds more tax burden to tax payers, more debt burden on government and more frustration on the voters.

Borrowing for consumption and importing for consumption in an environment where tax rates raise as corruption increase is disabling the natural abilities of Africans to apply our minds on a full state of identifying African solutions hence increasing foreign aid and imperialistic tendencies. And as such, both the Quran in Surah Al-Imran 3:104 and the Bible in Mathew 9:35-37 complement each other on the fact that African challenges called Dithree Group to apply the mind on a full state of identifying African Solutions jealously, on principle and by conviction outside the square.

Yours Faithfully,

Block 665, Level 2 Buganda Road Flats Behind Watoto Church
