Dear Sir/Madam,

PROSECUTE PEOPLE WHO INSULT REGISTERED RELIGION/FAITH OF OTHERS

Triple D Empire (formerly Dithree Group) creates business models and social programs which articulate public policies into private projects. Mobilize domestic resources for collective prosperity opportunities. And propose public sector solutions of bridging private sector challenges. This teamwork, mental work and network instills a sense of direction, a sense of dignity and a sense of belonging in Africans to speak with authority in the global production and consumption. And as such, this is to propose that government sentence any person who insults a registered religion/faith of other people to a one year hardlabour jail sentence without fine. It is unfortunate that some Pentecostals preach against the Islamic faith as much as the Muslim preaches against the Pentecostal faith yet none of them is an author of religion/faith.

On the 15 April 2024 Dithree Group (now Triple D Group) proposed to Kingdoms under Reference No. D3G- 17/15/4/24 that for Africa to formerly attain her own religion/faith just like Islam is headquartered in Saudi Arabia, orthodox headquartered in Russia, Catholics headquartered in Rome, Anglicans headquartered in Britain, advents headquartered in France and Pentecost is headquartered in America/Canada, there is need for African kingdoms to collectively register a Traditional Faith (TF), publish Traditional Faith Books (TFB), establish a Traditional Faith Temple (TFT) and publish Traditional Song Book (TSB). On every Wednesday the believers shall fast while exercising, donating to STRICTLY NEEDY STRANGERS and praying as follow.

- Merciful paternal Ancestors, gracious Heroes and Merciful maternal Ancestors forgive me/us the sins, fear, mistakes and worries I/we have committed by thoughts, actions and words.
- Thank you for canceling all the bad agreements which were made between me/us and the material family, paternal family, friends, strangers and relatives.
- Thank you for fighting for me/us the physical and spiritual enemies.
- Thank you for cursing and shaming all those who are jealous of me/us.
- Thank you for leading me/us to where I have to get money of meeting my/our financial obligations and financial aspirations.
- Thank you for blessing the good work of my/our hands and the good ideas of my/our heads.
- Thank you for giving me/us profound wisdom, healthy lifespan and profound blessing of living longer, doing business, raising my/our great, great, great grandchildren and hardworking.
- Given me/us the ability and guidance of pursuing my/our purpose for living and my/our financial independence.
- Thank you for making me/us a great nation / parent / leader / student / entrepreneur / child / politician / wife / economist / innovator / husband / investor etc.

Every last Saturday of the month the believers of TF shall mobilize their neighbors for a community cleaning. Otherwise, of all the virgin ladies who don't have boyfriends/husbands why would God choose to have a child with Joseph's wife Mary? Was a DNA carried out to verify that Jesus was not a son of Joseph? Was Muhammad and Jesus born to humans like any other Martyr, Prophet, Ancestor, Saint or Hero? Had God failed to use his supernatural powers to tame humans from sinning instead of resorting to sending Jesus? Why did God first create a female for the birds, animals and insects and forget to create for the human being (it's not good for man to be alone) yet the human is superior over all creations? Adam died at 930 years yet he was created as an adult and the fact that he was not born as a baby when did they start counting his age and who was there to witness when angel Gabriel was giving the black cloth to Ibrahim or when God was removing the rib from Adam to create Eva? How come that Noah's ark had no overload capacity to an extent that it was open to any person, animal and birds to get on board and did the people of that time know that a rainbow is sun ray's reflection on water? How come that God would send his son to die for human sins instead of killing Satan who causes people to sin? Why can't Inter-Religious Councils publish a two in one (2in1) holy book comprising all bible and Quran scripture? When the scripture states that the God of Israel does it means that there is a God of North Korea, the God of Southern Sudan etc.? Are there four categories of people who wrote the Quran and the Bible scriptures? (Those who observed and wrote, those who dreamed and wrote, those who were inspired and wrote and those who imagined and wrote).

Agenda 2063 and Vision 2040 emphasize the need to mobilize domestic resource for collective prosperity and sustainable development. And both the Quran in Surah Al-Imran 3:104 and the Bible in Matthew 9:35-37 complement each other on the fact that African challenges called Triple D Empire to apply the mind on a full state of identifying African Solutions jealously, on principle and by conviction outside the square because a successful society is based on the skills and values of its leadership. The economic success of a nation is based on each individual business and job. Leadership is the process of social influence where one person mobilizes the aid or support of others in the accomplishment of a common goal or task. While development is the changing of society with effects to its norms, values, institutions, attitude of its people, methods of production and the way in which resources are distributed for the

attainment of total the transformation. But the only way African governments can guaranty development is by STRICTLY appointing professionally competent ministers, technocrats/civic servants, politicians of integrity with better remuneration ON CONDITION that they take full responsibility of the failure or the success of the organization, ministry or department because politicking for personal interests is failing many development projects yet political will plays a major role in propelling national interests. Otherwise, I will be very grateful if my proposal is considered
